Promote hand hygiene compliance in your facility with Sani Professional® Hands Instant Sanitizing Wipes. Ensure staff compliance by making sure hands are kept clean and sanitary throughout the day to avoid cross-contamination and illness.

Features:
- More effective than gels at removing dirt and soil from hands!
- Kill germs fast! Effective against 99.99% of bacteria on hands in 15 seconds.
- Gentle on hands: contains moisturizing, healing natural aloe and Vitamin E
- Fragrance-free and dye-free
- Easily Accessible! Available in portable canisters or can be housed permanently in a variety of wall brackets and floor stands.

Where to Use:
- Restaurants/Back of House
  - When returning from restroom
  - Before and after handling or preparing food
- Restaurants/Front of House
  - Hostess station
  - Lobby
  - Take-out window
- Misc/General
  - After coughing or sneezing
  - After contact with others
  - Before eating
  - Baby changing stations
  - After using restroom

Active Ingredients:
- 70% Alcohol (Ethanol)

Efficacy:
- Effective against 99.99% of bacteria in 15 seconds.

Instructions for Use:
Use entire wipe to thoroughly wipe hands, fingers and wrists. To sanitize, use multiple wipes. Discard after single use.

Other Benefits:
- Nonfood Compounds Program Listed E3
- Registration #151433
- NSF Certified
- FDA approved
- #1 Hand Wipe in Healthcare
- Food Code Compliant
**DID YOU KNOW?**

- Proper hand sanitizing is one of the most important steps you can take in helping to stop the spread of communicable diseases.
- The CDC reports that improper hand hygiene accounts for 89% of outbreaks in which food was contaminated by food workers.\(^4\)
- Wipes are proven to clean hands more effectively than gels.\(^5\)
- You can use Sani Professional\(^\text{®}\) Hands Instant Sanitizing Wipes for extra protection or when soap and water are not readily available.
